READY TO REGISTER?

To register online, go to www.registerymca.org.

If you are a member of the YMCA of Greater Houston and have your login ID and account PIN, you are ready to register for programs! Follow these instructions:

1. Click on "Login" in the upper right-hand corner.
2. Type in your Login ID and Account PIN and click "Login."
3. Click on the "Programs/Leagues" tab to find a course that interests you.
4. Once you find a program using the categories on the left, click on it. A list of course types under that category will be displayed. (Helpful Hint: Narrow your course search by selecting the YMCA Center you are interested in. The center drop down menu is located in the top right of the list section.)
5. If you want to register for the course, click "Add." If "Add" does not appear, please contact the YMCA providing that course to register, as certain restrictions may apply.
6. Once you add the course, it will go to your cart. Select the "Client" you want to register for the course by using the drop down menu in the top left. A client is the family member you would like to register.
7. At this point you can continue shopping for more programs or pay for your course by clicking "Go to Checkout."
8. Once you go to checkout, you will enter your credit card information and complete your transaction.
