Leadership. Inspiration. Fellowship. Education.

Blue Ridge High School Christian Values Conference July 14-18, 2019

YMCA Blue Ridge Assembly
Black Mountain, North Carolina

WHAT YOU CAN EXPECT ON THE MOUNTAIN

For one week each summer, teens come together from across the United States to explore their personal values, share in spiritual fellowship and develop new friendships. The YMCA Christian Values Conference provides an opportunity for young people to gain deeper insight into themselves while having non-stop fun participating in outrageous games, songs, activities and special events.

Family Time

The conference is built around Family Time. Each student delegate becomes part of a "family", led by a caring adult facilitator. These families are made up of a diverse group of other delegates from around the country. Each year, delegates rate Family Time as one of the top experiences of the conference. Families will spend time focusing on great discussions, wild games and more, all while building lifelong friendships.

Other Activities

Lots of exciting activities are packed into each day's schedule. Sample activities include: hiking, devotions, workshops, personal time, swimming, arts/crafts, gym sports and more!

For more information, contact your YMCA's Teen Director or email YTeenLIFE@ymcahouston.org.

Cost: \$665 · Priority registration deadline: May 10
