Houston's Refugee and Immigrant Artists Art Show

Benefitting YMCA International Services

ABOUT YMCA INTERNATIONAL SERVICES

YMCA International Services is a unique center within the Greater Houston Association that delivers client-centered programs to refugees, immigrants and other vulnerable populations to advance their economic independence, social integration and civic participation.

The Y helps newcomers restore hope, build stability, create opportunity and change futures.

First established in 1978 to meet the resettlement needs of Vietnamese refugees, YMCA International Services has evolved to meet the ever-changing needs of Houston's growing immigrant communities. The Y now provides comprehensive services in resettlement, employment, case management, education and immigration law to vulnerable populations from all over the world.

At YMCA International Services, we strive to create a positive impact in our community through programs that increase opportunities for social equity to immigrant and newcomer populations.

YMCA Mission: To put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all. Everyone is welcome.
