

TURKEY DASH 5K START LINE MAP

PARTICIPANT INSTRUCTIONS

5K participants should enter the 5K HOLDING AREA by 7:45 am.

Participants will line up in the 5K HOLDING AREA by corral assignment. Each corral will be led by volunteers to the starting line at the designated times.

Volunteers will be checking BIBS to be sure participants are in the correct corral.

If you would like to switch corrals, you may switch to a lower corral, but you may not switch to a higher one. There are no exceptions.

IMPORTANT: If you arrive to the start after the 5K HOLDING AREA has cleared, you will have to wait to enter your corral until all participants from the 5K HOLDING AREA have loaded into their corrals.
