

Y AFTER SCHOOL SITES

YMCA After School programs serve more than 9,000 students annually in 200 schools located in 22 school districts in the Greater Houston area. We focus on nurturing child development by providing a safe and healthy place to learn foundational skills, develop healthy, trusting relationships and to build self-reliance through the Y values of caring, respect, honesty, responsibility and faith. The Y believes every child deserves access to affordable after school programming and rates vary by site. *Please note any sites listed as bussed indicates that students are bussed to an alternate site.*
