RE-IMAGINE YOUR SUMMER

YMCA SUMMER DAY CAMP

YMCA Summer Day Camp offers a safe atmosphere where youth may enjoy their summer break. To deliver on the Y's commitment to nurture the potential of every child, our program helps campers discover what they are passionate about and form healthy relationships.

All of our camps place special emphasis on youth choice, achievement and a sense of belonging. Discovery Camp is for those who are seeking passions through small groups in the safe environment of your local YMCA center. Campers are sure to discover unexpected fun! Activities may include: Arts, STEAM Activities, Theatre, Sports and Outdoor Games, Literacy, Group Games and Big Events.
